HELICOPTER HOG HUNTING

Helicopter Hog Hunting is the **only** year-round feral hog hunting business in the U.S. We offer a full-time staff, helicopters to choose from and 2.5 million acres of West Texas helicopter hog hunting land to choose from.

Wild hogs are among the most destructive invasive species in the United States today. Two to six million of the animals are wreaking havoc in at least 39 states and four Canadian provinces; half are in Texas, where they do an estimated \$400 million in damages annually.

There are now an estimated 2.6 million hogs in Texas, more than anywhere else in the United States. Their foraging causes millions in annual agricultural damage.

REVIEWS

Great experience and a great time. Everyone was very good to be around and were very welcoming. The hunt was really fun and the lodge experience was perfect. Chef's food was top notch, the guides were great and they all showed us the ins and outs of the hunt and got us prepared. I would recommend anyone do this - the experience was awesome. Thanks again!

The team is the best of the best. Great accommodations, excellent food and phenomenal hunting. Their focus on service and expertise in hunting make for an exceptional quail hunting experience. We look forward to planning another hunt soon!

Unbelievable, this is first rate hunting with the best dogs and staff. You will absolutely not be disappointed. The staff is amazing and could not do more to take care of us and make us feel at home. The moment you take off to go on the hunt, you will know it is worth every dollar. We are going back to do it again.

Great experience, period. I was looking for a short and well-priced hunt without lots of bells and whistles and this was it! (Although they can really roll out the red carpet if you want.) Our guide delivered the perfect level of introduction to what we were going to be doing by making the instruction simple and clear. The hunt was a little slow finding the game, (remember guys it's still hunting) but once we found targets (and we found MANY) things got exciting really quick!
